Sir,

Adverting to Government Proceedings No.1462-79/M.F.268-22-11 -- dated 17th April 1924, directing among other matters, that the Pest -- house building at Kolar be handed over to the District Board for the -- accommodation of travellers, I have the honor to state that the Dep ty Commissioner was requested to transfer the building to the District -- Board accordingly.

In his letter C.No.39-1 dated 7th August 1924 the Senior Surgeon with the Government requests that the building may be placed at the --- disposal of the Medical Department for being used as Nurses' Quarters as no other suitable building is available. The Senior Surgeon further states that the President of the District Board and the Deputy Commissioner are of opinion that the chattram is not used by the Public at all and that it is costing the Board about Rs.15/- a month for employing a watchman to keep the place clean.

In these circumstances, I beg to recommend that the building may be transferred to the Medical Department free of cost for being used as --- Nurses Quarters.
